Our United Artists Cable of Tracy, offers only one regular NBC station. It is out of Sacramento, a totally, self area conscious, and ridiculously provincial TV station. (KCRA Channel 3) Our other two NBC offerings are CNN stations. They being 4 and 24. Why not give us San Francisco's KRON?

We get ABC and CBS from Cable in the Bay Area as well as locally on 7, 13, and 5, and 10 respectively. However, they do not deny us their usual programming, locally. What's with KCRA?

I feel discriminated against when "De Colores" and other quite tiresome to the general public, presentations are aired, denying us prime time offerings listed as being shown on KRON CHANNEL 4.

Shallow and silly as I might sound..I enjoy the light "Nurses" etc. presentations offered on Saturday night, followed by "Sisters." They are quite entertaining, and I look forward to them.

I also want to take this opportunity to complain further about our local Cable station not offering "The Movie Channel." (Though not as vehemently.) I pay over \$50 a month for Cable service, even though I do get regular antenna reception, just because I truly enjoy TV, when not otherwise occupied.

Can anything be done?
